A6 (4.5 x 6.25) Greeting Card

Trim Size:	6.25″ x 9″
Folded Size:	4.5″ x 6.25″
Bleed Size:	6.5″ x 9.25″
Live Area:	6″ x 8.75″

Folded Greetings are scored, trimmed and shipped flat. Please pay close attention to the way your card backs up. See the example to the right for vertical layout.

If your design has elements that print to the edge of the page, please extend your artwork to the bleed size of 4.75″ x 6.5". The excess artwork will be trimmed off. However, it insures that no white space will be visible at the edge of the trimmed printed piece.
The "live area" represents a safety zone for elements that must not be cut off. Variances in cutting mean that artwork in the blue shaded area may be trimmed off. To be sure important artwork is not cut off, please keep within the live area, safety zone.
